

GONDOLA

1. Decorate the gondola with Crayons or Markers.
2. Cut out the gondola and glue to a piece of thin cardboard, for example, a recycled file folder.
3. Flip the gondola over so that the colored side is on the bottom. Fold up along the dotted lines.
4. Tape letter A to A and B to B.

Gondolas are not steered by oars. Instead a person uses a long stick to push along the waterway.
